- Front-of-the-line privileges
- Complimentary passes and/or tickets

SUPPORT OF FILMMAKERS

The Vancouver Jewish Film Festival strongly supports the work of Canadian independent filmmakers who have chosen to celebrate Jewish issues.

JEWISH EDUCATION

Since 1988, the Vancouver Jewish Film Festival has explored the diversity of Jewish life and culture and promoted the discussion of relevant issues and concerns within and beyond the Jewish community. Films on a wide range of subjects brought in from around the world contribute to a better understanding of Jewish culture.

TIKKUN OLAM (REPAIR THE WORLD)

The concept of *Tikkun Olam* – repairing the world through social action – is an essential Jewish obligation. Each year, the festival provides a venue for holocaust and tolerance education, and for social gatherings. Courtesy tickets are also provided to Jewish Family Services. Festival sponsors make this possible.

CORPORATE RESPONSIBILITY

Social responsibility is the number one factor that influences people's impressions of a company, more even than brand quality or business fundamentals.
