

## Grow With Us!

*Showcasing the diversity of Jewish culture, heritage and identity through film*

Dear Supporter,

Plans for our 2011 Vancouver Jewish Film Festival are well underway. We have assembled another outstanding selection of films for our 23<sup>rd</sup> Annual Festival to entertain and engage our audience. Programming includes a focus on French films, local filmmakers as well as the launch of a youth film initiative.

The VJFF has explored the diversity of Jewish life and culture since 1988. We are the longest running active Jewish Film Festival in Canada. This is thanks to the continued support of the countless volunteers and sponsors who donate their time, resources and financial support to help us bring to light the stories of our heritage. Art in our society, in our community, needs your support. We promote the discussion of relevant issues and concerns within and beyond the Jewish community. Help us grow our Festival that we may play a part in our community's growth in understanding and tolerance.

Each year the Society provides:

- Current New Cinema focusing on Jewish life from around the world
- A venue for tolerance and Holocaust education
- An environment to share Jewish culture with our non-Jewish neighbours
- Topical discussion panels and guest filmmakers
- Courtesy tickets provided to JFSA, made possible thanks to our sponsors

Ticket sales cover less than 40% of the total costs of the Film Festival. Only with the support of people like you can the VJFFS continue to educate, enlighten and entertain. Your donation includes membership in the Vancouver Jewish Film Festival Society, a not for profit charity registered in BC.

Thank You,

Sandy Penn  
President

Executive Director
